

## **Visiting Teams**

We are excited you are coming to play at the University of Arkansas. Below are some resources to help you get around our beautiful city.

### Facility

The UREC Sports Complex is located at 1486 Mitchell Street, Fayetteville, AR, 72701. Restrooms are present inside this facility. We will also provide water for the athletes, but please bring your own water bottle to refill as we will not be providing cups.

### Turf Policies:

As of October 2017 we have brand new artificial turf fields at the Mitchell Street Complex. We are very excited to have such new facilities but we do have some restrictions on their usage:

- ONLY water and sports drinks (Gatorade, Powerade) are allowed on the field
- No dogs or other animals\*
- No food
- No gum
- No metal cleats
- No chairs, tents etc. on the turf or sod
- All participants and spectators must stay OFF of the sod until further notice
- All bikes, skateboards etc. cannot enter the complex
- Goals, equipment etc. cannot be dragged across the field as they must be fully lifted off the ground and carried

### Parking

The main parking lot for the UREC Sports Complex is Lot 46. Just across Razorback Road is Lot 60, and Lot 56 to the southeast are also available. During basketball season and other events, there are restrictions to the parking. Please note the parking maps below.

[General Parking Map](#)

[Athletic Event Parking](#)

### Athletic Training

We will have an athletic trainer at any home event that occurs at the UREC Sports Complex or in the HPER Building. They will arrive to the game 30 minutes early for preventative wrapping/care. Please provide your own supplies for this service. Athletic trainers may also provide First Aid, injury evaluation, and ice for after games or matches.

### Attractions

There are many great places to eat and visit while you're in the area. Take a look at some of [what to do in Fayetteville during your stay](#).

Just south of the complex is [MLK Boulevard](#) where you may find an assortment of restaurants and hotels. [Dickson Street](#) is a very popular destination for food and entertainment as well. Shopping may be found along [East Joyce](#) to the north.

### Media Passes

Those interested in capturing photo or video of a UREC event, including Club Sports, may request a media pass by e-mailing [urec@uark.edu](mailto:urec@uark.edu) and obtaining written permission. A request must include the event name or reason for capturing footage, the date and time when it will take place, as well as the organization which the individual seeking to check out the pass represents and their reason for requesting a media pass.

To pick up a media pass, the interested party must then visit the UREC Main Office in HPER 225 to check out the media pass. At this time, you must show proof of written permission from the Marketing Office or UREC Administration. Requests should be made during business hours from 8 am to 5 pm, Monday - Friday for a timely response.

Media passes must be immediately returned to the UREC Main Office once the event has finished, unless the Main Office is closed. In this case, the pass may be returned the next day that the Main Office is open.

### Contact Us

If you have any questions, feel free to email us at [sclubs@uark.edu](mailto:sclubs@uark.edu). We will try to respond to your questions as quick as we can, if you more immediate assistance please call 479-575-4646.

\*Service Animals are allowed at all UREC Facilities. Emotional Support Animals are not permitted.

**Service Animals:** is historically a dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability.

- The only service animals/service animals in training are permitted inside a classroom.
- While students do not have to register their service animal with our office and are not required to show documentation to faculty/staff of the service animal.
- Per the Animals on Campus Policy animals must remain under the control of the Handler at all times. The care or supervision of an exempted animal is solely the responsibility of the Handler. The University reserves the right to exclude an exempted animal whose behavior poses a threat to the health or safety of others.
- The following is from the ADA section on Service Animals: When it is not obvious what service an animal provides, only limited inquiries are allowed. Staff may ask two questions: (1) is the dog a service animal required because of a disability, and (2) what work or task has the dog been trained to perform. Staff cannot ask about the person's disability, require medical documentation, require a special identification card or training documentation for the dog, or ask that the dog demonstrate its ability to perform the work or task

**Emotional Support Animal (ESA):** offer passive support and therapeutic benefits through companionship.

- ESAs are only permitted in the student's assigned on-campus living area and designated outdoor spaces. Additionally, all assistance animals must comply with applicable laws, University Policies, as well as have all required immunizations.
- Students must provide documentation of disability and go through the CEA's housing accommodation process to have an ESA in campus housing.

You may refer the student to the University's Animals on Campus Policy and/or our office if still have questions/concerns.
